

Manufactured Stone Tile

Similarly to our Natural Stone products, our engineered stone tiling offers aesthetics and durability, but at a lower price point than its natural equivalents. Textures and veining mimic the look of such materials as travertine and sandstone.

All available collections:

Faux Travertine Collection

Crystal Collection

Faux Moonstone Collection

Glossy Collection

Faux Windstone Collection

Faux Travertine Collection

Our Faux Travertine tile series is an affordable version of stylish, luxurious travertine marble. With a polished finish, these tiles may look pristine, but they withstand heavy traffic and are easy to maintain.
